Chicago Fire

while the fire did begin  
in a cow barn behind  
the cottage of Patrick O'Leary,  
there is no evidence that  
a cow was responsible.

In fact, a reporter, Michael  
Ahern, later admitted he created  
the legend to make a better story.  
The fire lasted 27 hours, killing

250 people and destroying  
17,450 Buildings
